

## Seventh Annual Spring Research Seminar Rising up to new challenges in multilingual education

1 April 2022

### Call for Papers

The Institute for Multilingualism at UIC Barcelona is proud to announce its **Seventh Annual Spring Research Seminar**, the purpose of which is to gather specialists on bi/multilingualism research from different methodological perspectives.

#### Guest speakers

**Dr Emma Dafouz** (Universidad Complutense de Madrid)

**Dr Imma Miralpeix** (Universitat de Barcelona)

We invite proposals for individual or joint presentations of 20 minutes (+ 10-minute discussion) related to the study of bi/multilingualism and teaching and learning in multilingual contexts within the areas of Linguistics and Applied Linguistics.

We encourage submissions from the following subfields:

- L1/L2/L3 acquisition and learning
- Heritage languages
- Language for specific purposes
- Content and language integrated learning (CLIL)
- English medium instruction (EMI)
- Integrating content and language in higher education (ICLHE)
- The Englishisation of education
- Teacher education and curriculum/programme design
- Language psychology and psycholinguistics
- The acquisition of pragmatics
- The cognitive and linguistic effects of multilingualism
- The impact of the ongoing pandemic on multilingual education

**Abstracts of a maximum of 500 words must be submitted by 14 January 2022 by filling in the submission form [here](#).** Notification of acceptance will be sent out by 4 February.

The **Seventh Annual Spring Research Seminar** will take place in person on **Friday 1 April 2022, 9 a.m. to 5 p.m.** in the *Saló de Graus* room on the UIC Barcelona Campus (C/ Immaculada, 22).

However, the Seminar may be moved online depending on the health guidelines at the time. Even if the Seminar is held in person, the audience will be able to attend online.

This event is free and open to the public. Prior registration is required.
